

# APPLICATION FOR "F" CLASS SHARES

**BIODYNAMICS2024 PTY LTD**  
**A.C.N. 136 709 781**

## Biodynamics2024

After being involved in the not-for-profit sector for over thirty years I have established Biodynamics2024 Pty Ltd as a vehicle to continue the promotion and support for the ongoing adoption and development of biodynamics in Australia. I feel there is a need to move to a more dynamic business model that fosters greater initiative and I invite your support and participation through shares rather than an annual or life membership.

"F" Class Shares are subject to the following rights, privileges and conditions -

- (a) no right to attend and vote at any meeting of the company;
- (b) the right to participate in the dividends (if any) determined by the directors to be paid on that share;
- (c) in a winding up of the company to repayment of the paid issue price of such share and to participate in the division of surplus assets or profits of the company and in this regard to rank equally with all other shareholders so entitled.

*Hamish Mackay, Executive Director*
